

CURRICULUM VITAE
QUEK Pei Jun
email: peijun.quek@api.edu.sg

Education

2022 – present	PhD (candidate), Biblical Studies, Durham University, U.K.
2020 – 2021	Master of Divinity, Asian Pastoral Institute, Singapore
2014 – 2019	PhD (Environmental Engineering), National University of Singapore, Singapore
2010 – 2012	MSc (Environmental Engineering), National University of Singapore, Singapore
2004 – 2017	MA (Pastoral Studies), Asian Pastoral Institute, Singapore
2000 – 2004	BEng (Chemical Engineering), National University of Singapore, Singapore

Professional Appointments

2025 – 2026	Associate Tutor, Cranmer Hall, St John's College
2023 – 2026	Resident Tutor, St. John's College, Durham University
2021 – present	Lecturer, Asian Pastoral Institute
2020 – present	Assistant Pastor, Crystal Tabernacle
2018 – present	Course Instructor, Adult Christian Education (ACE)
2018 – 2022	Senior Process Engineer, Ovivo Singapore
2014 – 2018	Graduate Researcher & Teaching Assistant, National University of Singapore
2011 – 2014	Assistant Technical Manager, Boustead Salcon Water Solutions
2008 – 2011	Senior Process Engineer, Boustead Salcon Water Solutions
2007 – 2008	Project Engineer, Foster Wheeler APAC
2004 – 2007	Process Engineer, Salcon

Awards

2025	Durham Researcher Development Award (Stage 1)
2014 – 2018	NUS Research Scholarship
2016	Best Student Poster Award (The 25 th KKNN Symposium on Environmental Engineering), Singapore
2002 – 2004	EDB Biopharmaceutical Engineering Specialist Manpower Programme

Teaching Interests

New Testament Studies
Biblical Greek

Research Interests

Early Christianity
Patristics
Johannine Theology
Sino-Christian Theology

Publications

Dissertation

Quek, Pei Jun. 2018. "Dynamic Membrane Technology for Municipal Wastewater Treatment." PhD diss., National University of Singapore, Singapore.

Refereed Articles

Quek, Pei Jun. 2026. "Ally or Saboteur? Emotion in the Rhetoric of John Chrysostom". *St John's Academic Journal* 6 (Easter): 8-13.

Quek, Pei Jun, Tsuey Shan Yeap and How Yong Ng. 2017. "Applicability of Upflow Anaerobic Sludge Blanket and Dynamic Membrane-Coupled Process for the Treatment of Municipal Wastewater." *Applied Microbiology and Biotechnology* 101(16): 6531–40.

Mei, Xiaojie, Pei Jun Quek, Zhiwei Wang and How Yong Ng. 2017. "Alkali-Assisted Membrane Cleaning for Fouling Control of Anaerobic Ceramic Membrane Bioreactor." *Bioresource Technology* 240: 25-32.

Conference Presentations

Quek, Pei Jun. 2026. "'That They May Know Him in the Power of the Word': The Father's Thought-Speech in the Gospel of Truth." Presented at the Durham/Manchester Postgraduate Day Conference in Biblical and Related Studies, Durham, U.K.

Quek, Pei Jun. 2025. "Piecing Together the Jigsaw: The Dynamics between the Johannine Logos and Pneuma in the Human-Divine Relationship." Presented at the Northern Universities PGR Biblical Studies and Patristics Day Conference, Manchester, U.K.

Quek, Pei Jun. 2024. "Unveiling λόγος: A Comparison of Early Christian Texts with the Johannine Perspective." Presented at the Northern Universities PGR Biblical Studies and Patristics Day Conference, Durham, U.K..

Quek, Pei Jun. 2023. "The New Prophecy through the Lens of *Epistula Apostolorum*." Presented at the Northern Universities PGR Biblical Studies and Patristics Day Conference, Manchester, U.K.

Quek, Pei Jun and How Yong Ng. 2017. "Improving the Efficiency of Conventional Septic Tanks (CSTs) with Dynamic Membrane." Presented at the 8th IWA-MTC Conference, Singapore.

Quek, Pei Jun and How Yong Ng. 2017. "Anaerobic Dynamic Membrane Bioreactor (AnDMBR) for Domestic Wastewater Treatment." Presented at the 26th Joint KAIST-KYOTO-NTU-NUS Symposium on Environmental Engineering, Seoul, Korea.

Quek, Pei Jun and How Yong Ng. 2016. "Applicability of a Self-Forming Dynamic Membrane for Post-Treatment of UASB Effluents at Reduced HRTs." Presented at the 5th IWA-RMTC Conference, Kunming, Yunnan Province, China.

Quek, Pei Jun and How Yong Ng. 2016. "Applicability of a Self-Forming Dynamic Membrane for Post-Treatment of UASB Effluents at Reduced HRTs." Presented at the 25th Joint KAIST-KYOTO-NTU-NUS Symposium on Environmental Engineering, Singapore.

Ng, Kok Kwang, Xiaojie Mei, Pei Jun Quek and How Yong Ng. 2016. "Optimization and Performance of Alkali-Assisted Cleaning for Fouling Control in Anaerobic Ceramic Membrane Bioreactor (AnCMBRs)." Presented at the 9th International Conference on Challenges in Environmental Science & Engineering, Kaohsiung, Taiwan.

Song Writing

Quek, Pei Jun. 2022. "我已经见证复活主." Lyric and score. Singapore: The Tabernacle Church and Missions.

Quek, Pei Jun, Peiqi Wang, Junwei Goh and Teck Ern Joel Lau. 2021. "主耶稣恩典何等伟大." Lyric. Singapore: The Tabernacle Church and Missions.

Quek, Pei Jun and Lee Teng Tay. 2021. "In Your Light We See Light." Lyric. Singapore: The Tabernacle Church and Missions.

Quek, Pei Jun. 2014. "Lord Teach Me." Lyric and score. Singapore: The Tabernacle Church and Missions.
